

Sexual Misconduct Policy

Sea Land Air Flight Centre (Institution Number: 03535)

Effective Date: Aug 15, 2021

Revision Date: Aug 08, 2021

Responsibility and Commitment

Sea Land Air Flight Centre is committed to the prevention of and appropriate response to sexual misconduct. Any processes undertaken pursuant to this policy will be based on the principles of administrative fairness. All parties involved will be treated with dignity and respect. It is contrary to this policy for SLA to retaliate, engage in reprisals or threaten to retaliate in relation to a Complaint or a Report.

What is Sexual misconduct

Sexual misconduct refers to a spectrum of non-consensual sexual contact and behavior including the following:

- sexual assault;
- sexual exploitation;
- sexual harassment;
- stalking;
- indecent exposure;
- voyeurism;
- the distribution of a sexually explicit photograph or video of a person to one or more persons other than the person in the photograph or video without the consent of the person in the photograph or video and with the intent to distress the person in the photograph or video;
- the attempt to commit an act of sexual misconduct; and
- the threat to commit an act of sexual misconduct.

Complaint and Report

A **Complaint** of sexual misconduct is different than a **Report** of sexual misconduct. A person may choose to disclose or complain of sexual misconduct without making a formal report. For the purposes of this document, a disclosure/complaint is when the victim/survivor discloses/chooses to tell someone at the post-secondary institution of an incident of sexual misconduct in order to seek support but may not want to make a report to police or campus authorities. A **Report** is a formal notification of an incident of sexual misconduct to someone at the institution accompanied by a request for action. A report can be made by anyone including, but not limited to, the victim/survivor. A student or SLA staff member making a **Complaint** will be provided with resolution options and, if appropriate, accommodation, and will not be required or pressured to make a **Report**. SLA will respect the right of the individual who has

experienced sexual misconduct to choose the most appropriate services and to independently determine whether to contact police and/or make a formal report (with the understanding that if there is imminent risk to others the need to report to authorities may supersede the rights of the individual). SLA will respect the choice of the individual as to what and how much to disclose about the experience.
